## Lunch & Learn

### LEARN MORE ABOUT NAVHDA & TRAINING VERSATILE DOGS

#### *Jargon & Training Tools*

Come learn about NAVHDA and the Prairie Vista Chapter. We will go over the frequently used field jargon, have hands on demonstrations and display training tools used. We'll have a Q&A time as well.

#### *Lunch*

Curious about NAVHDA but don't know where to start? Join us for lunch to meet old and new members alike.

#### *Field Demos*

Come see the process. All dogs start somewhere. We'll have demo dogs in action from young puppies, dogs in training to finished dogs.
